REPORT ON THE ADMINISTRATION OF THE DISTRICT FUNDS OF THE TUMKUR DISTRICT FOR THE YEAR 1919-20.

1. CONSTITUTION.

(a) Creation of new Boards and abolition of existing Boards.

Under section 5 of the Local Boards and the village Panchayats Regulation of 1918and Rule 2 issued under 37(a) of the same, the names of members constituting the District Board were notified under order No.R.3777/L.B.45-19-2 dated 15th September 19 and the same amended by notification No.R.8184/L.B. 45-19-3 dated the 24th January 1920 so far as it related to the members elected by the Taluk Board of Gubbi.

The name of the Vice-President of the District Board was also notified during the year.

2. The names of members constituting the Taluk Boards of Tiptur, Pavagada, and Koratagere were notified during the year under report as well as the names of the Vice-presidents of all the Taluk Boards except Koratagere.

3. The election or appointment of the chairmen of the 5 village Panchayats was completed during the year.

(b) Appointment of non-official Presidents and vice-president

Under the new scheme, the Deputy Commissioner was appointed ex-officio President of the District Board and Mr.H.Venkataramia, Advocate., was notified as the elected non-official vice-president under Government orders Nos.4156/L.B.56-19-1 and 5383/L.B.56-19-4 dated 24-9-19 and 10-11-19 respectively. The following gentlemen were notified as the elected non-official vice-presidents of the Taluk Boards shown against them during the year under report together with Government orders.

9. " S.Shama Sastry..... .....Maddagiri.....R.14078/L.B.4-19-94 dated 24-6-20.

Government order No. 11660974/L.B.56-19-74 dated 6th April 1920 defines the powers and duties of the vice-presidents.

(c) Elections.

Under Government Notifications Nos.1048/L.B.6-18-3 and 11758/L.B. 54-18-8 dated 16th July 1918and 15th March 19, containing rules for election of chairmen of the village Panchayats and the vice-presidents of Taluk Boards, elections were held during the year and the results are as noted under (b) and 1.a (3)supra.

2. WORKING OF THE BOARDS AND COMMITTEES.

(a) New Bye-laws or Rules framed or existing ones amended.

The rules promulgated under the Local Boards and Village Panchayats Regulation during the year were:--

(1) Levy of house and shop taxes in the village panchayats and the procedure to be adopted therefor.

(2) Levy of tolls on public roads and bridges in Mysore.

(b) Meetings and Attendance.

There were 5 ordinary meetings and one special meeting of the District Board for the election of members to the Representative Assembly during the year. The average attendanceof the official and non-official members was 4 and 13 against 4and11 respectively of previous year. Appendix 1. shows the particulars of meetings of the several Taluk Boards and the details of attendance. In Maddagiri the number of meetings fell short by one for want of quorum. The other Taluk Boards held the prescribed number of meetings. The average attendance of the official and non-official members at the meetings of the Taluk Boards was 2.7 and 7.5 against 2.4 and 4.7 respectively in the previous year. The Finance committee held 6 meetings, the average attendance of officials and non-officials being nil and 3 against.6 and 2 respectively of the previous year.

(c) Interest taken by non-official members:-

The members of the Local bodies have generally co-operated in the administration of the District Funds.

(d) Measures of initiative or development proposed or carried out during the year.

No measures of initiative of development were carried out during the year under report.

(e) Relations of the Boards with one another.

The relations of the Taluk Boards with the District Board and of the village panchayats with their respective Taluk Boards continued to be satisfactory. There was no occasion for exercising the power vested in the District Board under section 15 of the Local Boards and village Panchayats Regulation for default of performance of duty imposed on the Taluk Board. None of the Taluk Boards was declared independent under section 16 of the Regulation, nor was there any necessity to form any joint committee under section 17 of the Regulation.

(f) WORKING of the village Panchayats.

Of the 71 village Panchayats 6 met the prescribed numberof times, 22 held 6 and more meetings but less than the required number 26 held less than 6 meetings and 14 had no meetings at all. Necessary instructions will issue to the Presidents of the Taluk Boards not only to impress upon the chairmen of the village panchayats the necessity of holding the required number of meetings but also to see that they do so in-as-much as the Presidents are vested with the control of the Panchayat administration, with a view to infuse greater life. The funds collected in the panchayats were as far as possible utilized for expenditure on works started therein.

3. FINANCIAL POSITION.

(a)and (b) Income and expenditure.

Excluding Debt Heads, the opening balance at the credit of the District Board for 1919-20 was Rs.4,59,812. The total receipts aggregated to Rs.206779. The total expenditure was Rs. 116044. The closing balance was Rs.5,53,769, at the close of the year, the excess of Rs.3222/- being the Railway cess for 1918-19 not credited to District Funds but added on to the balance of the

to the balance of this year by the Local Auditors. A comparative statement of income and expenditure of the Board during the years 1918-19 and 1919-20 is exhibited below.

T O T A L	1,13,018	1,16,044	+ 3,026

The total decrease of Rs. 44,641 under Receipts during the year as compared with that of the last year was chiefly due to the non-receipt of any state grant towards the Drinking Water Wells Funds to the decrease in the income realised under Local and Railway Cesses and also to the smaller amount realised in the sale of th toll gate at Nidasale.

The increase of Rs.3,026/-under expenditure is chiefly due larger outlay on public works executed by the Civil Department during the year, to the payment of the vaccination establishment

vaccination establishment throughout the year and to the allowanc paid on account of seasonal conditions to the whole time servants of the Board.

The Receipts of Rs.14,792/-under F.Public Debt were made up of deposits on account of sale of stray cattle and grant of Rs. 10000/-from the District Funds for sinking and improvement of wells in the rural parts.

The expenditure was Rs.70,220/-of which a sum of Rs.18,720/- was spent on well works and establishment charges and an amount of Rs.48,395/-was the Railway Cess credited to investment.

(c) The total closing balance including Debt Heads was Rs. 4,51,641 at the close of the year.

(d) Allotment of Fundsamong the Taluk Boards and Village Panchayats and their adequacy.

The distribution of funds among the Taluk Boards and union Panchayets was regulated with due regard to their requirements. There was no instance of inadequacy of the allotments made.

A sum of Rs. 16,000/-was allotted for expenditure during the year towards Public Works in village Panchayats and towards improvements, repairs etc., of Musafarkhanas in the Taluks according to the provision made in the Budget. In all, a sum of Rs. 9,684/- was spent towards public works, under B.out of the above allotment

(e) Demand, Collection, and Balance,

Appendix IV exhibits the demand, collection and balance of the District Fund Revenue. Out of the total demandof Rs.87,657/- including arears under house tax and Mohatarfa in the village Panchayats and rural parts , a sum of Rs.67,379/-was collected, leaving an balance of Rs.20,278/-or 23% at the end of the year.

(f) Fresh imposts and variations in the rate of fees and tolls.

The rates of fees and tolls remained the same as in the previous year. Rules regulating the levy of tolls were issued with Governemnt order No. R.8711/-L.B.54-18-15 dated 4th February 20. There were no fresh imposts.

(g) Loans.

No loan was raised by the District Board during the year.

4. PUBLIC WORKS.

(a) Important works executed, percentage of budget allotments allowed to lapse, if any, with causes for lapses.

A. The unadjusted balance at the credit of the Public Works Department out of the amount of crossed cheques issued for payment during last year was Rs.14,091/-and the amount paid during the year was Rs.43,716. Thus the total amount available for expenditure was Rs.57,807/-. Out of this a sum of Rs.38,857/-was spent on the improvement and repairs of District Fund roads, Rs.1974/- on those of buildings, Rs.735/en the establishment, tools and plants, thus leaving Rs.9625/-unadjusted at the end of the year. Leaving out of consideration the allotments of Rs.25,763/-under special works on which no outlay was incurred, about 37% was allowed to lapse on the allotment taken up. Since it is the Public works Department that has to work out the estimates as provided for in the Budget, the Department would be in a better position to explain the lapse.

B. The expenditure incurred by the Civil Department was Rs. 20,669/-. This includes a sum of Rs. 1000/-transferred to the District Drinking Water Wells Funds under F.Public Debt etc., The actual expenditure on works other than wells was Rs. 9684/-against an allotment of Rs.16,000/-resulting in a lapse of about 33% of the Budget grant. The lapses are heavy in the Taluks of Gubbi, Chikanayakanahalli, and Sira being 95%, 75% and 75% respectively. The expenditure on works in the civil Department was incurred chiefly in the Village Panchayats for repairs of roads and construction of drains. Paucity of local contractors is said to be the cause underlying these lapses. It is hoped, however, that with the devolution of new responsibilities on the village Panchayats and Taluk Boards under the Local Self Government Scheme and with the sanction of separate budgets for them, these lapses will be avoided by devoting greater attention to the timely and even distribution of expenditure throughout the year, which is being insisted on.

(b) Condition of roads and communication with reference to funds allotted therefor.

The total length of the District Fund roads repaired or improved by the Public Works Department was 515¾ miles at a cost of Rs.34,709/-

The maintanne grant varied from Rs.38/-to Rs.125/- per mile. Many of the roads were in good order and some required special repairs. It is hoped that with the sanction of the increased rates of milage there will not be generally frequent occasions for the undertaking of thesex special repairs.

(c) Improvement effected in the matter of opening and maintaining inter-village roads etc., and the extent of co-operation of villagers

No new roads were opened by the District Board during the year. 177 miles of village roads in the several Taluks were opened or ~~xx~~ improved under village Improvement schemeby the villagers with Government aid. It is said that want of co-operation among the people, the high prices and the tightness of the money market have retarded th progress under the scheme. However, the existing roads in some of the villagex Panchayats were improved or repaired at a cost of Rs. 1551/-, during the year. A programme for opening out important roads in the District is prepared in the order of urgency and will engage the attention of the District Board soon after the receipt of estimates therefor from the Executive Engineer.

(d) Water Supply and Maintenance.

No grant was sanctioned from the State Funds towards the Drinking Water Wells Fund during the year under report; but a contribution of Rs.10,000/- ~~from the~~ was made from the District Funds towards thex same. Including a sum of Rs.64,891/-which remained unworked at the end of last year, there was a total sum of Rs. 74,891/-available for expenditure on well works during the year. Including the incomplete works of previous years 228 wells at an estimated cost of Rs.51,970/- were in progress during the year under report. Out of these 57 wells were completed, leaving 171 works costing ~~amount~~ Rs.36,060/- to be worked out. The total outlay incurred was Rs.18,720/-including establishment charges. The progress was not satisfactory in the Taluks of Kunigal, Sira, Turuvekere, Gubbi, Chikkanayakanahalli, and Tumkur. The following are some of the reasonsthat retarded the progress of well works.

(1) High prices of food grains which have pushed up wages .

(2) High prices of materials.

(3) Unwillingness or incapacity coupled with laziness of the ryots to undertake execution of worksx during the slack season.

(4) Paucity of qualified local contractors.

It is hoped that Government orders of August 19 reducing the villagers' contribution to 1/3 of the estimate and waiving of the same in the case of the depressed classes will give greater impetu to the sinking of more wells and to the timely completion of them.

The old ~~well~~ musafarkhana well at Tumkur was widened and deep by 6½ feet below 61feet in the hard trap by the use of explosives after boring a hole of 7½ ft with the aid of the Musto's Boring Pl This work involved an expenditure of Rs.577/-thus costing Rs.192/-a cubic yard . A detailed report has been submitted to Government observing the prohibitive nature of the cost and soliciting instru tions as regards the data of working the machine in different soil and at moderate rates.

(e) Supervision of works by non-official members.

No appreciable help was afforded by the non-official members the District Board in the supervision of works during the year.

5. PUBLIC HEALTH AND VITAL STATISTICS

The number of births and deaths registered during the year in rural parts was 14,031 and 10,750 against ~~12,22x~~ 15,742and53,238 respectively of the previous year. There was plague in the Taluk of Tumkur, Gubbi, Tiptur, Turuvekere and Kunigal. The total num of deaths from this cause was 77 during the year. Cholera prevai in the Taluks of Tumkur, Pavagada, Maddagiri and Kunigal and the Head quarter towns of Pavagada and Kunigal, the total number of deaths the rural areas being 118. Stray cases of Influenza occurred in t Taluks of Tumkur, Gubbi, Chikkanayakanahalli and Tiptur and the He quarter towns of Tumkur, Kunigal Turuvekere and Tiptur, the total number of deaths from this cause being 54. The number of deaths greatly decreased during the year owing to the absence of Influenz in an Epidemic form.

6.CONSERVANCY AND SANITATION.

Eighty seven sweepers and six peons attended to the conserva work in the village panchayats. The sanitary Inspectors supervis the sanitation in rural parts and also helped in carrying out some the District Fund works. The total cost incurred on establishmnt and other charges was Rs.13,523/-. The village improvement commit

committees have been doing fairly good work in the matter of improvi the sanitation of villages.

A sum of Rs.95/-was spent on sanitation during Jatras as noted below. (1) Nagalmadike... .....Rs. 25/-

(2) Sibi.....Rs. 30/-

(3) Doddadhalavatta.....Rs. 40/-

(a) Working of the village sanitation rules.

The total number of villages in the District where these rules were in force at the end of the year was 1566. The number of pers prosecuted for breach of village sanitation rules was 79, of whom 3 were convicted and 39 acquitted and 4 were pending trial. The amount of fine realised was Rs.118/-.

(b) Removal of prickly pear, lantana and other rank vegetation.

This work was to some extent attended to by village Improvement Committees. No amount was spent on this account from District Fund

(c) Prevention and suppression of Epidemics.

The amildars with the aid of the sub-assistant surgeons and th Deputy Inspector of vaccination took the necessary steps to check t spread of small pox, cholera and plague, wherever these epidemics appeared, according to the standing orders and local circumstances

(d) REgulation of markets and slaughter houses

There were no markets and slaughter houses under the manageme of the District Board.

(e) Fairs and Festivals.

No fairs and festivals involving expenditure from Distric Fund were held during the year. However, a contribution of Rs.150/- was paid as usual to the holding of the District Conference. Government order of the 17th March 1920 limits these expenses to Rs.200/- which is ordered to be met from District Board.

7. MEDICAL RELIEF.

(a) Working of Local Fund Dispensaries.

Appendix XVI shows the names of the local fund dispensaries an the number of patients treated therein. 1,08,117 patients were treated in the District against 1,26,621 of the previous year. Th total cost of maintenance of Dispensaries was Rs.5,437 against Rs.4,9 of the previous year. The relieving compounder did his duties as

duties as in the previous year.

(b) Midwives and Maternity.

The number of midwives employed in the District and paid from District Funds was 13 and the total cost incurred on account of the pay and allowances was Rs.2650/- against Rs.2,600 of the previous year. In accordance with the Government order of the 10th September 1918, steps are being taken to provide quarters for the midwife at Tiptur in the first instance, as it was represented to be very urgently required there. Steps are also being taken to convert the female dispensary at Tumkur into a maternity with a class for training midwives as required by Government order of the 29th June 1918.

(c) Ayurvedic and Unani dispensaries.

There were ten vaidyasalas during the year under report, of which 7 were working. Government have sanctioned the opening of four more at Bargur and Bukkapatna (Sira Taluk), Bellavi (Tumkur Taluk) and Gummaghatta(PavagadaTaluk) during the year. 30,489 patients were treated in all the vaidyasalas against 30,762 patients of the previous year. The cost incurred from District Funds was Rs.1,068/- against 1,067/- of the previous year.

(d) Veterinary Dispensaries.

There were two institutions :- one Hospital at Tumkur and a dispensary at Maddagiri as in the last year. In the former, there is also a shoeing department. 120 horses were shod against 163 of the previous year. The number of cattle treated in both these institutions was 8297 against 2450 of the previous year. The numberof inoculations made by both the assistant veterinary inspectors was 3724 against 5192 of the previous year. Both these institutions were inspected in June 20. The work turned out was satisfactory. The increase this year in the number of cattle treated is due to the rising popularity of these institutions.

(e) Vaccination.

The number of persons (Children)vaccinated during the year was 12,353 against 7,808 of the previous year. The increase was dueto the outbreak of small pox specially in the Taluks of Maddagiri and Kunigal and also to the general appreciation of the protection afforded by vaccination against small pox by the public at large.

Government have passed orders approving of the Sanitary Commissioner's proposals fixing the minimum number of primary vaccinations as 31per 1,000 of population per year and empowering the Presidents of Ditric Boards to retrench the allowances in proportion to the fall. They have also ordered the opening of a training class every quarter at the vaccine institute prescribing rules therefor and empowering the District Boards to sanction scholarships to them. The District Board have since sanctioned one scholarship of Rs.10/-to a native of the District.

8. PUBLIC CONVENIENCE AND OTHER MEASURES OF PUBLIC UTILITY.

(a) Accomodation for travellers.

19 third class travellers' bungalows and 32 musafarkhanas were maintained from District Funds at a cost of Rs.6,041/-. A sum of Rs. 4,093 was spent on the construction and improvement of musafarkhanas and travellers' bungalows. The fees collected from travellers whose number was about 2319 during the year were Rs.432/-. The construction of a new Musafarkhana at Nelapatna on the Devarayana Durga Hills has been sanctioned by Government and steps are being taken in the matter.

(b) Cattle and Exhibitions.

Cattle shows were held at the following places in the District during the year under report.

(1) Kyamenahalli, Koratagere Sub-Taluk.

About 33,000 head of cattle collected during the show held at Kyamenahalli on the 31st January 1920 and 1st February 1920 and prizes of the value of Rs.150/-were awarded. No sanitary charges were paid from District Funds during the year for the show.

(2) Nagalmadike, Pavagada Taluk.

About 5,000 head of cattle assembled during the show held at Nagalmadike on 31st December 19 and prizes to the extent of Rs.50/-were awarded A sum of Rs.50/- was paid from District Funds as a grant for the organisation and Rs.25/-for sanitation charges.

(3) Tavarekere, Sira Taluk.

About 3,200 cattle assembled at the show organised on the 31st January 1920 by the local public at Tavarekere and prizes tothe extent of Rs.22/-were awarded.

(4) No cattle show was held during the

a.

(4) No cattle show was held during the Dandinamaramma's Jatra at Maddagiri on account of outbreak of cattle diseases in this and the neighbouring Taluks. Government in their order of the 26th January 1920 have sanctioned the levy of fees on cattle assembled at the uniform rate of anna one per head of cattle

(c) Ferries.

There are no ferries in the District.

(d) Cattle pounds.

There were 134 cattle pounds in the District. The income fr pounds was Rs.7958 and the expenditure was Rs.3012. A sum of Rs. 982/-was spent on the improvement of these pounds during the year.

(e) Facilities afforded for the improvement of the breed f catt

No breeding bull was maintained out of the District Funds in the District during the year for want of accommodation in the veterinary Dispensaries. However, the District Board are encoura ging the maintenance of the same by paying their quota in favour of those earnest and willing persons applying for the bulls at concession rates. Government in their order of the 25ht March 2o have raised the rate of concession from Rs.75/-to 150/- a bull, on account of the general rise in prices.

IX GENERAL.

(a) Accounts and Audit.

The Finance Committee consisting of five members met six times in all during the year. The Committee checked the monthly accounts and helped the District Board in framing the Budget. The Local Audit staff of the Comptroller's Office audited the accounts of the District Board from the month of July 1918 to the end of December 1919, and no serious irregularities have been fou or noticed.

(b) Government in their order No. 514-66/E.C. 15-19-1 dated 12th July 19 have passed orders transfering the Economic Development work to the Local bodies concerned. A separate report will issue fr m that branch.

The work of the several Taluk Boards and the District Board may on the whole be said to be satisfactory.

ued in the Tumkur District During 1919-20.

Explanation for Variations between Columns 2 & 3

The fall in number is due to employment of Reserve Vaccinator of Tumkur Constantly on Small-pox Duty in Kunigal, Maddagiri & Thur Taluks.

The increase in the number of Cases in the year of under report shows a good progress in all the Taluks and also the appreciation by the Villagers the benifits of Vaccination Protection against Small pox

LB. 68-20-22

Proceedings of the Govt of H. H. the Maharaja of Mysore.

Read:-

The District Fund Adm[n] Report of the Tumkur Dt for the year 1919-20 received with letter No. P.R. 14-12 of 19-20 dated the 26th Sep. 1920 from the President District Board, Tumkur Dt.

Order No. R. 10829-31.
Dy. 30.3.21

Constitution

During the year under report the marginally noted 82 local boards were working in the district. The District Board as well as the Tq Bds of Tiptur, Pavagada and Koratagere were reconstituted.

1 District Board
10 Taluq Boards
71 Village Panchayats.
82

The District Boards and the several Taluq Boards (except Tumkur) had their Vice Presidents elected from among the non official members.

Rec'd 1/3

Meetings and attendance

The number of meetings held by the District Board in the year was 6, while all the Tq Bds with the exception of Maddagiri held the prescribed number of meetings. The average attendance of the official and the non official members in the DB Bd was 4 and 13 against 4 and 11 respectively, and that in Bds was 2·7 and 7·5 against 2·4 and 4·7 respectively in the previous year. Govt. are glad to note the continued interest taken by the non-offl members in the ~~adm~~ affairs of the the District ~~Trusts~~ Bd.

Village Panchayets

The attendance in the V.P. was not satisfactory as 14 of them held no meetings at all; only 6 met the prescribed number of times

and 48 Panchayats held less than the required no. of ~~times~~ meetings. Nothing is stated about the 3 remaining Panchayats. The Deputy Comm^r is requested to see that in future reports accurate and full information re. the meetings held by all the Village Panchayats is furnished for the information of Govt.

Finance

~~The total income under~~ all heads in The year opened with a balance of Rs. 4,59,812

Page 3 of Report
Appendix VI

The total income under all heads exclusive of public debts was Rs. 2,06,779 against Rs. 2,51,420 in the previous year, showing a decrease of Rs. 44,641 due to ~~the~~ the absence of a ~~levy~~ ~~no~~ State ~~grant~~ Contribⁿ for the drinking water well Fund.

Well

and also to a fall under Local and Railway cesses. The ~~income~~ expenditure incurred during the year was Rs. 1,16,044 against Rs. 1,13,018. The increase of Rs. 3026 is reported to be due to larger outlay on P. W. D. works, to the payment of Vacc^n Estt and to the grant of the high prices allowance to the employees. The total demand under all heads including arrears ~~years~~ was Rs. 2,28,062, of which a sum of ~~Rs 2,06,779~~ 21,283 was collected, leaving a balance of Rs. ~~26,250~~. Out of this balance a sum of Rs. 20,278 or 23 per cent was remained uncollected under houses tax including ~~non~~ arrears at the end of the year. Prompt steps should be

Appendix IV

taken for ~~taking~~ collecting all the arrears.

The closing balance at the end of the year was Rs. 5,5,3,769

Public Works

The amount available for expenditure was Rs. 57,807 A sum of Rs. 38,857 was spent on improvement and repairs of District Fund Roads. Under special works no outlay was incurred out of the allotment of Rs. 25,763. There has been a heavy lapse of 37 per cent in the total allotment. This could have been avoided if due care has been taken to prepare beforehand a programme of the works to be undertaken during the year.

~~Thirty two of the~~

Rees

33 percentage of the budget grants were allowed to lapse under expenditure by the Civil department owing to the upheld panchs of local contractors. The explanation is not however very convincing ~~satisfactory~~. It is hoped that these lapses will be avoided in future by timely and proper distribution of allotments for expenditure by the several Village Panchayats and Tq Bds.

It is ~~very~~ disappointing to note that for want of cooperation among the people there has been no appreciable progress under the Village Panchayat improvement scheme. The Village Panchayats should be made to evince greater interest in their direction, ~~so that the~~ + to fully utilize the larger powers conceded to them in the management of their own affairs scheme is worked out ~~satisfactorily~~ enthusiastically under proper programme from year to year.

Water Supply

In the year under review 228 wells inclusive of incomplete works of previous years at an estimated cost of Rs 51,790 were in progress. Out of these only 57 wells were actually completed, ~~leaving 171 wells costing Rs. 36,060 to be worked out.~~ The ~~actual~~ outlay during the year, out of Rs. 74,891 available for expenditure, was only Rs. 8,720. The scheme requires Better attention ~~should~~ to be paid to it ~~this scheme, so~~ that people may not feel the scarcity of drinking waters. As for the observation of the President that no appreciable help was afforded by the non off members of the D.B.d in the supervision of works, Govt ~~desire~~

Govt

would be glad to have definite proposals as to the ways in which such help is expected & the facilities which may have to be provided for the non official members to enable them to render such help.

to impress on them that if they do not take greater interest in their own affairs, the object of the L. S. G. Scheme will be frustrated.

Vital Statistics and Vaccn.

The total number of births and deaths during the year was 14031 and 10750 ~~17,520~~ against 15,742 and 53,238 in the previous year. It is satisfactory to note that the number vaccinated during the year rose to 12,303 against 7,808 during the previous year.

General

Govt observe that there is much scope for improvement in the District under the L. S. G. Scheme. The admin^n of Panchayats and execution of public works should receive greater attention.

9

and appreciable progress
~~should be~~ shown ~~in~~
